

Lower School
PROSPECTUS
5-11 Years

THORPE HALL
SCHOOL

Welcome

Children attend our Lower School from age 5 to 11 years and receive tailored guidance and exceptional learning opportunities within small, friendly and supportive classes.

Our aim is to discover, nurture and develop the individual strengths of each of our pupils, through an abundant variety of opportunities both academic and extra-curricular. Every child is given the chance to achieve, thrive and succeed.

We place great emphasis on teaching children how to learn and how to develop the skills they need to become life-long learners so that, as independent thinkers, they can always be the best they can be.

Andrew Hampton

Headteacher

“In response to the school’s promotion of its values, pupils create the family atmosphere in which they flourish and develop. Their self-esteem builds and they move on with confidence to achieve their potential.”

“The pupils’ moral development is excellent. Pupils are polite and courteous at all times. They clearly show great respect toward other pupils and adults and they display confidence without arrogance. Behaviour around the school is exemplary at all ages and allows pupils to feel secure and flourish.”

Independent Schools Inspectorate

Our curriculum equips children with the understanding, attitudes and knowledge for the next stage of their lives and beyond. Pupils receive specialist teaching supported by the very latest technology and innovations in education.

Thorpe Hall is among the UK's top performing schools for value added scores and SATs results. Outstanding academic results are achieved and we have a long and distinguished record of preparing candidates for the 11+ exam.

We have an excellent enrichment programme with exciting excursions and a broad range of clubs, societies and activities. This includes participation in national and international initiatives designed to inspire and engage pupils across academic and creative subjects, from Science and Technology to Music and Drama.

20	Maximum class size
15	Average class size
51/49	Boys to Girls (%)
76	Clubs & Societies
3	Houses

*For the 15/16 academic year

Key Stage 2 SATs

In 2016 our Key Stage 2 SATs results were impressive and the Year 6 performed comfortably above the government's 'floor' level and in line with the best local authorities across the UK.
